

HOW TO USE

First Then Board

Use this board to show what happens first and what happens next.
Keep it simple, calm, and predictable.

STEPS

Print the board and icon cards.

Cut out the icon cards.

Laminate the board and cards if you want them to last longer.

Add velcro dots or reusable adhesive to the cards and board.

Choose one FIRST card and one THEN card.

Say: "First ___, Then ___."

When FIRST is finished, remove the card and move to THEN.
